Research and Development – example

- "UNiversity and Gender Mainstreaming"" (UNIGEM) - commitment of universities to ensure gender equality and a safe environment for teachers as well as students at universities in Bosnia and Herzegovina and the region
Implemented by the TPO Foundation in cooperation with 19 universities from Bosnia and Herzegovina, Croatia, Serbia and Montenegro
- Funded by the Government of the United Kingdom and Northern Ireland,
- Aim: to prevent and combat gender-based violence, discrimination and sexual harassment and integrity. and quality in higher education
- 4 year project:
 - comprehensive research on the state of gender equality at universities before and after the implementation of this project
 - establishment of a special body to combat gender-based discrimination at all universities
 - A special resource centers for coordination of the activities in the areas of gender equality and the fight against gender-based violence and discrimination

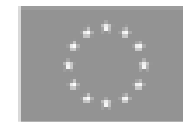

Developing new study programs -example

- Interdisciplinary Professional Study program for Providing Administrative and Gerontological Services
- Developed in cooperation with CSO “Life with Down Syndrome”
- Study program accessible to persons with developmental disabilities
- The program is specifically tailored to the needs of the labor market, with a focus on increasing the employability of individuals with intellectual disabilities
- Participants will develop the ability to apply scientific and professional knowledge in working with elderly and providing administrative services
